

Quantum Healing Mastercourse

Module 14 - Self-Realization Finale: Transforming All Aspects of Your Work and Life

If you've fully participated in this program by this time, you'll be experiencing transformation in vital aspects of your life and work. In this final module we will share our perspectives and concerns about the way forward, and Darren will share additional resources.

In this module, you'll discover:

- Guidance and discussion about serving as a Lightworker and planetary healer
- Integrating Quantum Healing into your career
- Resources for further discovery and training
- Living in a state of grace
- Plans for ongoing community connections and buddies

Practice: Expression Your Transmission to Others

Embodying your Avatar self and claiming your spiritual power and presence

Dyad exercise

Remote session including chakra reading and balancing using CAB, inner embrace, Breath of Ascension, multi-dimensional clearing, forgiveness
