

Quantum Healing Mastercourse

Module 14 Handout – Completion – Moving Forward

Congratulations on arriving at the final week of the Quantum Healing Mastercourse! This has been a journey of consciousness and discovery.

Moving forward from your participation in this program into the rest of your life is an intentional act. Following the suggestions in this handout will help you create strong and positive results moving forward.

Success is synonymous with completion. When you complete something you have succeeded at it.

Completion Steps

1. If you missed any of the Thursday Modules, make sure you have viewed the video or listened to the audio from that session.
2. Complete the Assessment questions included with each Module, most of which consist of 3 essay questions. Answering these will remind you of what you learned and help you integrate it – and have an easier time describing Quantum Healing to others.
3. Fill out the final feedback form, which you can access in any of these places:
 - a. The link is included in the Module Fourteen handout in the Lessons section of your member site.
 - b. A link for it is also emailed to you. You can fill this form out online, so no need to scan or email it.
 - c. Here is direct link to the feedback form: <https://forms.gle/JNJ8nMQiQGh8y4jZ7>
4. Email Darren with any final questions or needs.

You will receive your Certificate of Completion for the Mastercourse once you complete these steps.

Nurture Your Connections

You have been connecting with and sharing healing sessions with a wonderful group of Lightworkers. It will enrich you to stay in touch with those with whom you resonated. You will receive a participant contact list. If you DON'T want your contact information shared on that list, email Darren and say so ASAP. Otherwise your contact info will be included on the contact list.

Continuing On

While this 14 week program is coming to a close, there are many ways to continue with increasing your skills and Presence as a healer, and your personal awakening. Here are some:

1. **Lightworker Ministry:** The purpose of Lightworker Ministry is to empower and awaken Lightworkers and bring us together, so we develop our superpowers and help transform our planet. You should already be a member, and if not you can join at www.lightworkerministry.com.

Bi-weekly Lightworker Zoom events for members are offered every other Thursday at 5:30 PM Pacific time. There are lots of valuable resources on the website, including mini-courses. This organization and website will continue to be developed and expanded.

By choosing the Guardian membership you can list your practice, gain more exposure to other members and access additional resources.

2. **Quantum Healing Certification Program:** Lightworker Ministry offers a one-year Certification program in Quantum Catalyst Healing and Higher Sense Perception. This will be very helpful if you wish to work as a professional Quantum Healer.

As a Mastercourse graduate you will receive full credit for what you've already paid and all the work you've completed. An additional tuition credit is offered through August 18th.

You can read about the Certification program at <https://lightworkerministry.com/programs-offered/> Request a personal interview if you would like to discuss this program, and how it can be personalized for your needs.
